

### **VOLUNTEER as COACH m/w**

2-9 months  
from now

Founded 2010 in Somerset West, the Young Bafana Soccer Academy fights against poverty-related social drawbacks in South Africa. Through our education and sports programs we promote the individual development of our players sustainably. Currently, we positively influence the lives of around 120 children. In addition to the performance football in the age groups U13, U15 and U18, our football teams are supplemented by integrative school teams. Through that it is possible to prepare our children for a future far away from the street and to help them achieve a self-determined existence.

#### Your tasks include:

- Support the football coaches on the football field
- Transportation of the players
- Management of training equipment
- Individual training sessions with single players
- Training at a private school (Beaumont)
- Administrative tasks

#### What we expect from you:

- Student status desirable, but not required
- Sport and football enthusiasm (trainer experience is required, trainer license is a plus)
- Social commitment and the desire to help/support the players
- Team-oriented and communicative
- Good written and spoken English knowledge
- Hardworking, proactive & self-sufficient at work
- Adaptation skills for other cultures and roommates
- „Hands on mentality“
- Driver license

#### We offer:

- An extraordinary stay in South Africa
- Working and living together within a multicultural team
- Weekly team workshops
- Insights into the work of NGOs and the practice of grassroots and competitive football in South Africa
- Interesting and varied tasks
- Change lives!
